EDUCATION

- **Bachelor of Science in Computer Science, Forman Christian College University**   Expected Graduation: May 2025
- Majors: Computer Science
- CGPA: 3.1

WORK EXPERIENCES

CodSoft – *Python Programming Intern*   **[September 2023]**

- Designed and implemented a To-Do List application in Python, enabling users to efficiently manage and organize tasks.
- Created a simple calculator with basic arithmetic operations, providing users with a user-friendly interface for calculations.
- Developed a password generator application, allowing users to specify the length and complexity of the password and generating strong and random passwords accordingly.

PROJECTS

Ludo

- Programmed a Ludo board using the array module in Python.
- Created a graphical user interface using Python's built-in libraries and tools to simulate the Ludo game board, tokens, and dice roll.
- Implemented the game logic and rules using Python's built-in data structures, functions, and control structures.

SKILLS & INTERESTS

Skills: Python, C, SQL, Excel, HTML, CSS, JS, BOOTSTRAP.
Interests: Artificial Intelligence, Travelling, Cricket.
